

2025 Legislative Victories

- » Fought back legislation that would have allowed the State Treasurer to invest 10% of the pension fund in highly volatile cryptocurrencies.
- » Worked with OSHR to shepherd legislation through that will allow agencies to streamline the hiring process.
- » Stopped legislation that would have allowed the Office of State Auditor to make all employees exempt from the State Human Resources Act, and efforts by other agencies to follow suit, ensuring workplace rights and protections.
- » Hosted town hall meetings for members to get information directly from the **executive Funding** for the State Health Plan and retirement system.
- » Fought off an effort to remove employees at the State Auditor's office from SHRA protections.
- » Continued to engage state and national leaders over the outrageous cost of prescription medications, including GLP-1 drugs to treat weight loss.
- » Protected longevity pay.
